to gain what he cannot lose” – Jim Elliott***

Alice D. Hoag, EdD

Licensed Professional Counselor

Certified Professional Counselor Supervisor

Dr. Hoag's mission is to facilitate healing of painful emotions, releasing of past wounds, restoration of healthy relationships, and retraining of the mind. Her ultimate goal is to help people move to personal wholeness, interpersonal competence, mental stability, and spiritual maturity. When working with couples, her goals include helping restore love and respect in intimate relationships. The person-centered approach and techniques she uses promote insight, understanding and self-awareness to re-wire the brain, and personal empowerment to make healthy and meaningful life choices.

“Do not be anxious about anything, but in everything by prayer and supplication with thanksgiving let your requests be made known to God. And the peace of God, which surpasses all understanding, will guard your hearts and your minds in Christ Jesus. Finally, brothers, whatever is true, whatever is honorable, whatever is just, whatever is pure, whatever is lovely, whatever is commendable, if there is any excellence, if there is anything worthy of praise, think about these things... practice these things, and the God of peace will be with you.” - Phil 4:6-9, NASB
