

THIS YEAR
WE'RE GOING **VIRTUAL!**

ADRENALINE RUN

The word 'ADRENALINE' is written in a white, distressed, sans-serif font. Below it, the word 'RUN' is written in a large, bold, red, distressed font. Inside the 'R' and 'N' of 'RUN', there are white silhouettes of a person running. The background is dark blue with several grey, stylized virus particles scattered around.

Although we can't run together on the infamous hills, The University of Oklahoma College of Pharmacy hopes you join us virtually for the 9th Annual Adrenaline Run 5K/10K. Run your race wherever you'd like, then log your time results online to see how you rank on the leaderboard. All participants who register by February 8, 2021, will receive a long sleeve Sport-Tek t-shirt and the first 200 registrants will also receive a finishers medal. The event is sponsored by the OU College of Pharmacy Alumni Association. Proceeds of the Adrenaline Run will benefit The University of Oklahoma College of Pharmacy through expansion of contemporary education, research and service.
