

THIS WEEK'S JOB NEWS
04/29/2018

SCRIPTURE:

The farmer plants seed by taking God's word to others. ¹⁵The seed that fell on the footpath represents those who hear the message, only to have Satan come at once and take it away. ¹⁶The seed on the rocky soil represents those who hear the message and immediately receive it with joy. ¹⁷But since they don't have deep roots, they don't last long. They fall away as soon as they have problems or are persecuted for believing God's word. ¹⁸The seed that fell among the thorns represents others who hear God's word, ¹⁹but all too quickly the message is crowded out by the worries of this life, the lure of wealth, and the desire for other things, so no fruit is produced. ²⁰And the seed that fell on good soil represents those who hear and accept God's word and produce a harvest of thirty, sixty, or even a hundred times as much as had been planted!" **Mark 4:14-20 NLT**
