

## **Infant/Toddler & Preschool Teacher**

### **Description**

KidzRock Children's Learning Center has been a ministry of the Rock Church and World Outreach Center for over 12 years. We are known for providing quality care in a safe environment that promotes growth in all the different areas of development. The person in this role will report to the Preschool Director and be responsible for planning and administering a weekly lesson plan with a variety of activities that are geared toward each child's developmental goals; as well as implementing our Christian based curriculum.

### **What is a Preschool Teacher at KidzRock?**

A teacher's function at KidzRock would be to provide care and supervision for the children. They work on child observations, daily documentation and record keeping, sanitation, and maintaining classroom ratios and daily attendance. Leadership skills are required for supervising classroom Aides and children while managing a daily schedule/routine in the class.

This job is for you if:

- You have 12 core semester Units
  - Child Development
  - Child, Family & Community
  - Curriculum (age appropriate)
  - 3 units related to Infant care
- 6 months experience working in a Child Care Center with children under the age of 5 years
  - Minimum 3 hours per day for 50 days in 6 months
- Passionate about benefiting the education and spiritual development of young children
- Great at problem solving and decision making
- Punctual and productive
- You are able to express verbal/written communication clearly
- Willing to make changes when necessary

### **Benefits**

- Pay based on units/experience
- Health benefits/Vision/Dental
- 403b retirement plan
- 50% Discount on childcare tuition
