Because we source our grapes from three very different vineyard sites we were able to maintain our style of Pinot Gris which is a wine with bright acidity, delicate fruit flavors and a moderate alcohol level. The 2014 Pinot Gris has rick aromas of lime and a hint of minerality.

The Willamette Valley is an ideal region for cool climate varieties like pinot noir and pinot gris because of the long growing season, the soils and abundance of excellent vineyard sites. We employ sustainable viticulture practices that will grow the best possible grapes on each site we manage. Our philosophy in the winery is minimal intervention so we can preserve the unique blend of the grapes that come from the vineyards that we manage. Our ultimate goal is to produce outstanding, value priced wine that can be enjoyed on special occasions or in a casual setting with friends and family.

Our 2012 Russian River Valley Chardonnay contains a tantalizing array of aromas and flavors. Pale golden in color it entices with aromas of wet limestone and apricot, with hints of melon and sea pea flowers. Estate grown and “Old School”. The crisp acidity carries a solid core of lemon grass, lime zest, the tang of cut lawn plus a hint of dried herbs and a touch of Awatere minerality. And it packs a fresh, zingy punch on the finish that makes it stand out from the crowd. Matches well to spicy food, but works equally well with seafood, particularly oysters, as well as fat cheeses.

Our Estate Grown wine is an “old school” Marlborough Sauvignon Blanc with clean, bright, gooseberry and lime aromatics. Mediterranean dried herbs and a weighty richness carry lemon on grass and the herbaceous tang of cut lawn. In the mouth a crisp, dry attack is balanced by rich, ripe limes, sweet bell pepper, lemon grass and a touch of Awatere minerality. The long mouth-watering finish is born out of beautifully ripe fruit.

- Varietal: 100% Sauvignon Blanc
- Appellation: Blind River, Marlborough, NZ
- Fermentation: Stainless steel down to 10 C
- Barrel aging: None
