

# DAY OWL

## ROSÉ

CRISP AND FRESH, THIS FRUIT-FORWARD CALIFORNIA ROSÉ MAKES FOR THE **PERFECT** DAY.

Our Winemaker Alyssa Reynolds crafts this California rosé to be bright, crisp, and dare we say it — the full package. Cheers to that, and to you.

### WINEMAKING

Pressed with minimal skin contact, Day Owl features juicy fruit flavor, thanks to cool fermentation in stainless steel tanks. Our fruit is sourced from select vineyards along the Central Coast and Paso Robles regions.

### WINEMAKER'S NOTES

Day Owl Rosé radiates with ruby red grapefruit, strawberry, and tangerine. A hint of rose water coupled with light minerality makes this dry, fresh California rosé the perfect addition to your day. Pair with watermelon and mint salad, spicy poke tacos, or avocado toast.
