

● **Sparkling wine**
driven largely by Prosecco

- Tiamo Organic Prosecco
- Bellafina Prosecco

● **Rosé** though growth is unlikely to be more than single digits

- Pratsch Rosé (Niederösterreich, Austria)
- Santa Julia Rosé (Mendoza, Argentina)
- Mont Gravet Rosé (Languedoc, France)

● **Wines in cans**
and alternative packaging

- Santa Julia Organica Chardonnay & Rose (Mendoza, Argentina)
- Santa Julia Tintillo (Mendoza, Argentina)
- Sea Pearl (Marlborough, New Zealand)

● **Wine spritzers**
and wine-based cocktails in cans

- Tiamo Organic White & Rose Spritzers (Veneto, Italy)

● **Wines from New Zealand and Oregon**
with potential also from Eastern European countries

- Kin & Cascadia Pinot Noir & Cabernet Sauvignon (Willamette Valley, OR and Columbia Valley, WA)

● **Firm entrance into the health and wellness conversation**
via lower ABV and biodynamic wine.

- Ulls de Mel - natural (Monsant, Spain)
- Santa Julia El Burro - natural (Mendoza, Argentina)
- Faisao Vinho Verde Rose (Vinho Verde DOC, Portugal)
