INTERCEPT

2017 CABERNET SAUVIGNON

When making Intercept Cabernet Sauvignon we target vineyards sites with well-draining soils and good exposure. This helps us create a juicy, full-bodied wine. We age our Cabernet Sauvignon in French and Eastern European Oak for 18 months.

TASTING NOTES

The intense dark ruby red color of our Cabernet Sauvignon is reflective of this full-bodied, flavorful wine. The core of black currant and hints of cedar and spice along with cocoa aromas echoed by rich persistent flavors of plush ripe fruit, dark chocolate and anise are all supported by balanced rich velvety tannins. Pair with anything off the BBQ, steaks, braised short ribs, and lamb chops.
