

Silver Lining

PINOT NOIR

Sometimes you just need to throw out the playbook, and take what Mother Nature gives you. Such is the case with Silver Lining, a wine born under the gray skies of our coastal vineyards, where the cool weather happily results in an uncanny depth of flavor and character. Blended for richness and nuance, Silver Lining will brighten any meal or occasion.

Silver Lining Pinot Noir shows aromas of dark cherry, pomegranate and hints of red licorice. The bright red fruit is balanced by notes of vanilla bean, mushroom, and toasty oak on palate, finishing with soft, plush tannins.
