About Ánimal

Founded by Ernesto Catena, a fourth-generation winemaker of Italian descent, Ánimal is a winery in Mendoza, Argentina.

Over the years, Ernesto and his team designed their biodynamic farm and vineyard as a sculpture to be gazed upon from the sky, much like the cities of the Mayan and Incan civilizations. The vineyard is surrounded by natural flora and fauna that help them achieve a state of harmony and equilibrium. Ánimal wines are 100% organic-certified and made using single grape varieties.
