ABOUT MAAL WINES

MAAL Wines is a winery based in Mendoza, Argentina whose mission is to make quality wines exclusively from Argentina's prized grape variety: Malbec. Founded in 2013 in the Vistaflores area of Mendoza, MAAL Wines was born of a friendship between two passionate Argentine winemakers with a love for Malbec. Adhering to sustainable practices, MAAL Wines are pure expressions of the Malbec grape, the soul of the vineyard, and the personality of the winemakers.

THE WINE

- MAAL biutiful is produced with 100 % Malbec grapes from Mendoza, Argentina.
- This wine expresses fruit purity and showcases the freshness and elegance of the Malbec grape.
- The name biutiful, represented on the label by a butterfly inside a chrysalis, refers to the wine's pure and natural beauty, and the fact that it does not undergo any oak aging.
