#### ABOUT DOMAINE VINCENT GIRARDIN

Founded by the ambitious 19 year-old Vincent Girardin in 1980, Domaine Vincent Girardin has since gained international recognition for its quality wines from Burgundy, France. Burgundy is one of the world's most famous winegrowing regions and is the birthplace of the Pinot Noir and Chardonnay grape varieties, which produce the area's beloved red and white wines, respectively.

Today, Domaine Vincent Girardin practices minimal intervention as well as sustainable and biodynamic methods of grape growing and winemaking.

#### THE WINE

- Domaine Vincent Girardin Bourgogne Blanc is a white wine from Burgundy, France made using **100% Chardonnay** grapes that are grown in the Côte de Beaune.
- Fruity and floral aromas lead to a fresh, mineral-driven palate.
- An excellent match with seafood, shellfish, or as an aperitif.
- Best enjoyed while young and fresh, this wine is a great entry point to all of Burgundy.
