BARBERA D'ALBA 2019

ABOUT MASSOLINO

Founded in 1896, Massolino is a family-run estate that makes wine with passion, combining tradition with innovation. The Massolino family owns plots in some of the most iconic Serralunga d'Alba vineyards in the Piedmont region of Italy. Massolino wines are the result of a dedication to the vineyards. Day after day, the family personally oversees every step in the production chain across all 57 acres of the estate, from the vineyard to the cellar, from the vine to the bottle.

- Fresh and well-balanced, an easy to drink wine that is rich without being heavy
