ABOUT DOMAINE DELAPORTE

Located in the heart of the Sancerre region in France, Domaine Delaporte has been passed from father to son since the 17th century. Today, under the youngest generation's leadership, Domaine Delaporte practices sustainable and biodynamic methods, such as eliminating the use of pesticides in the vineyards. Sancerre is one of France's best-loved wine regions, celebrated for crisp, aromatic whites made from Sauvignon Blanc grapes and high-quality goat cheese.

THE WINE

- Pale gold with hints of green. Very expressive, intense, and complex nose with boxwood, rhubarb, blackcurrant, kiwi, and a light herbal aroma of marigold.
