ABOUT J. DE VILLEBOIS

J. de Villebois is one of the leading producers of Sauvignon Blanc wines in the Loire Valley of France. Located along the beautiful Loire River dotted with French castles, J. de Villebois produces a range of 13 Sauvignon Blanc wines including a Sancerre. Family-owned, J. de Villebois follows sustainable winemaking practices.

THE WINE

- Sancerre is a small district in France's Loire Valley that produces a famous white wine of the same name which is made from Sauvignon Blanc grapes.
- J. de Villebois Sancerre is produced with **100% Sauvignon Blanc** grapes, giving off a pale green-yellow color and intense herbal and citrus aromas.
- A powerful palate with gooseberry and ripe fruit flavors lead to a long fresh finish.
- An excellent match for oysters, lobster, goat cheese, or as an aperitif.
