ABOUT M·A·N FAMILY WINES

José Conde and brothers Tyrrel and Philip Myburgh started making wine together in 2001. As they say, “It all started as a simple plan: to make a wine that we’d love to buy. We wanted quality wine that offered excellent value and great packaging.” From the first 300 cases made in a tractor shed, MAN Family Wines has grown to producing over 175,000 cases per year and exporting to 25 countries. The wines of MAN Family Wines are bold, fruity and modern-style wines that express the uniqueness of the Agter-Paarl area of South Africa.

THE WINE

- ◆ A lovely mix of new world fruitiness and old-world elegance
- ◆ Bold and juicy red wine with aromas of mint and pencil shavings, cigar box and dark cherries, with cassis and re-currant fruit flavors
- ◆ Silky tannins and a long finish
