

THE WOLFTRAP

WHITE

2019

ABOUT THE WOLFTRAP

Established in 1776 in the furthest corner of the Franschhoek Valley of South Africa, the valley was far wilder than it is today. Today, the mountains are still alive with animals, but no wolves have ever been found, so The Wolftrap was created to arouse the mysteries and legends of days gone by. Producing a red, white, and a rosé wine, The Wolftrap is certified sustainable.

THE WINE

A blend of Viognier Chenin Blanc, and Greanche Blanc

White peach and lemon, with creamy texture and a crisp zesty finish.

Soft, smooth, medium-bodied and vibrant
