

SAUVIGNON BLANC

Spritzer

Line 39 Spritzers are made with three ingredients only. We blend our Sauvignon Blanc with sparkling water and a hint of fruit flavor inspired by the wine's tasting notes.

We use the exact same Sauvignon Blanc that goes into our 750mL bottle. Our sparkling water is carbonated to the same level of bubbles and crispness as top name brands. Our hint of fruit flavors are all natural. Simple, refreshing.

TASTING NOTES

Aromatics of grapefruit and lemon with subtle grassy characteristics and a crisp, clean finish.

TECH INFO
