

CHARDONNAY

When it comes to growing grapes, nothing comes close to the 39th parallel – Northern California’s winemaking sweet spot – where grapes are cultivated in prime conditions. It’s where Line 39’s own roots were established and set the standard for where we grow our grapes now in the best regions across California.

TASTING NOTES

Line 39 Chardonnay opens with flavors of bright, tropical fruits and white floral notes before settling on a long, structured finish that displays vanilla and cream notes developed from barrel aging. The medium body of this chardonnay allows it to pair beautifully with a charcuterie board or a baked mac & cheese.
