

## ROSÉ

When it comes to growing grapes, nothing comes close to the 39th parallel – Northern California’s winemaking sweet spot – where grapes are cultivated in prime conditions. It’s where Line 39’s own roots were established and set the standard for where we grow our grapes now in the best regions across California.

## TASTING NOTES

Line 39 Rosé greets the nose with aromatics of strawberry, pear, and citrus blossom. Flavors of ripe watermelon and honeydew are heightened by this rosé’s bright acidity and can be enjoyed alongside a fruit & cheese board or on its own on a warm day.
