

BOLD & FEARLESS WINE WITHOUT RULES

Exitus

CRAFTED TO STAND APART

Bold and unconventional, Exitus is our answer to the monotony of boring, forgettable wines. Crafted for the adventurous drinker looking for a novel experience, we solicited the signature smoky notes of classic Kentucky Bourbon barrels to turn up the heat on our big, Zin-based wine. Matured using methods previously only reserved for top shelf spirits, the result is a rich, complex statement wine that bucks tradition - because rules are meant to be broken.

TASTING NOTES

Our bourbon barrel aged red wine is fermented in American stainless steel and then aged for 3 months in Kentucky bourbon barrels. This bold blend of Zinfandel, Petit Verdot, Syrah, and Petite Sirah provides a deep ruby color with aromas of ripe blackberry, leather and currant intertwined with cocoa powder. Bourbon barrel aging offers aromas of fire toasted oak, baking spice, caramel and loose-leaf tobacco.
