

PINOT NOIR

Spritzer

Line 39 Spritzers are made with three ingredients only. We blend our Pinot Noir with sparkling water and a hint of fruit flavor inspired by the wine's tasting notes.

We use the exact same Pinot Noir that goes into our 750mL bottle. Our sparkling water is carbonated to the same level of bubbles and crispness as top name brands. Our hint of fruit flavors are all natural. Simple, refreshing.

TASTING NOTES

Aromatics of black cherry, pomegranate, and red licorice. A faint touch of oak on the palate makes for a crisp yet rewarding finish.
