TASTING NOTES

Initial Impressions: Intriguing and extremely complex, while still holding true to the Foursquare and Barbados character. Layers of savory, citrus, and fruit forward characteristics meld with classic brown butter and caramel Rum notes.

Aroma: Immediate notes of Vanilla and orange peel leading into sweet tangerines and mandarines - with unique herbaceous and baking spice notes.

Palate: Bold and complex, but round and pleasant. Distinctive savory notes - similar to miso, or salted caramel, with hints of enoki mushroom, leather, cedar and honey notes on the finish - all built around a base of brown butter, rich toffee and characters of both berry and citrus fruits. Intriguing from start to finish and a truly complex spirit.
