### PASO ROBLES 2016 Cabernet Sauvignon

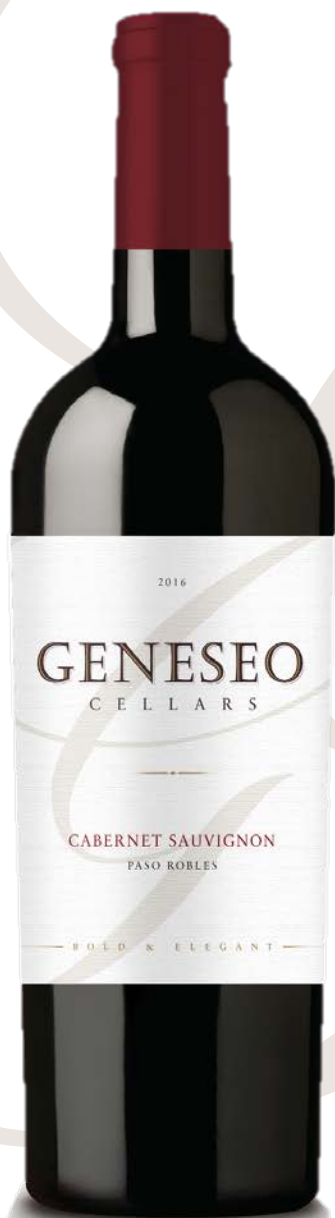

At GENESEO CELLARS, named for the historic area of Paso Robles first planted to vines in 1886, we employ time-honored winemaking technique to craft premium wines using rich, flavorful local grapes. We express our commitment with this big, bold Cabernet Sauvignon packed with briary berry and juicy cassis aromas, hints of toasty oak, rich texture and a long silky finish.

#### TASTING NOTES

Our robust Paso Robles Cabernet Sauvignon features ripe cherry aromas followed by licorice and sweet oak. The layered palate features bright red fruits with a bold framework of structured tannins. The depth of flavor is underscored by a long finish.
