

NOVINOPHOBIA

red blend

CALIFORNIA

For many, Novinophobia – the fear of running out of wine – is very real. If you've

been faced with surprise houseguests or the need for a quick, last minute

gift you know the anxiety of an empty wine rack. The fix? An

everyday vino with the sass and substance to stand up to any wine-related emergency.

Enter Novinophobia Red, a hand-crafted California classic offering serious palate pleasure to go with its tongue-in-cheek attitude. Fear not, your wine is here!

Winemaking: Stainless steel fermented, aged on French and American oak

Tasting Notes: The palate is rich and structured with plum, dark chocolate, sweet vanilla and spice. These concentrated aromas of red and black fruit and balanced tannins culminate into a long and lingering finish.
