

ESTABLISHED:	2001
LOCATION:	Napa Valley
PRODUCTION:	One wine per vintage; less than 500 cases
OWNERSHIP:	O'Neill Vintners & Distillers
WINEMAKER:	Jeff Gaffner
CURRENT RELEASE:	2014 Xtant Red Wine, 1314 cases (6 x 750mL)
COMPOSITION:	55% Cabernet Sauvignon 32% Merlot 13% Malbec
VINEYARDS:	Xtant is rooted in some of Napa Valley's most revered soil. Cabernet Sauvignon and Merlot from the legendary Lewelling Vineyards in St. Helena form the foundation of Xtant. The Bordeaux style complexity of the blend is enhanced by a special block of Cabernet Sauvignon from St Helena's Kletter Vineyard and Malbec from UC Davis' world-renowned Oakville Station in Oakville. We work with vineyard manager Doug Wight to farm our dedicated rows and blocks at all three vineyards for ideal balance and purity of varietal and vineyard expression.
WINEMAKING:	Xtant represents the pinnacle of vineyard and vintage, with only the finest and most age-worthy barrels making the final blend. Winemaker Jeff Gaffner employs gentle and meticulously monitored, small-lot winemaking and extended barrel and bottle aging to promote the extraordinary balance of power, elegance and complexity that are hallmarks of our classically styled Xtant.
VISIT/TASTING:	Xtant vineyards and winemaking facilities are not open to the public.
DISTRIBUTION:	Xtant is sold through distribution in fine wine shops and restaurants in select markets nationally.

2014 XTANT RED WINE Napa Valley

COMPOSITION: 65% Cabernet Sauvignon, 32% Merlot, 13% Malbec

ELEVAGE: 38 months in 100% French Oak (35% new)

ALCOHOL: 15.2% **TA:** 0.650 **pH:** 3.50

CASES: 1314 (6 x 750mL)

COLOR: Beautiful dark brick color

NOSE: Black cherry, plum, cassis and black currant. Notes of floral almost bottle brush flower and sweet pipe tobacco. One of the most elegant and complex of the Xtant releases.

PALATE: Again complex and elegant mouthfeel with a very long seductive mid-palate. This wine should be able to age beautifully 10-15 years plus.

AVA COMPOSITION: 86% St Helena, 14% Oakville

VINEYARD COMPOSITION: 58% Lewelling, 28% Kletter, 14% Oakville Station
