K-8 TUITION & FINANCIAL ASSISTANCE

Investment in a Quality Christian Education

At St. John, your child will discover his or her God-given potential, make lifelong friends, and learn to serve others. While this will require the investment of your financial resources, we believe you will see that this is a worthy investment in your child.

Financial Assistance

We understand that many families are in the difficult position of weighing the life-changing value of providing a Christian education for their child with the affordability of tuition within their budget. If you desire a Christian education for your child, then we will strive to work with you to make that a reality.
