K-8 TUITION & FINANCIAL ASSISTANCE

INVESTMENT IN A QUALITY CHRISTIAN EDUCATION

At St. John, your child will discover his or her God-given potential, make lifelong friends, and learn that we are making disciples for life. While this will require the investment of your financial resources, we believe you will see that this is a worthy investment in your child.

FINANCIAL ASSISTANCE

We understand that many families are in the difficult position of weighing the life-changing value of providing a Christian education for their child with the affordability of tuition within their budget. If you desire a Christian education for your child, we will strive to work with you to make that a reality.
