# WELCOME MESSAGE

Stallion Family and Guests,

I want to personally welcome you and thank you for joining us tonight as we seek to glorify the Lord by honoring Him with the gifts and abilities that He has given to our athletes and coaches. Your presence today is not only a vital part of the encouragement that each team deserves, and has worked hard for, but it is also a visible statement of the commitment that you and your family have made to private Christian education and the role it plays in raising up another generation that seeks to change our world through the proper use of a Biblical Worldview education. We strive to be great hosts and hope you enjoy your time with us on the hill.

Athletic Director, Courtney Simmons
