Learning about the hindrances that keep us from God's miraculous grace is so helpful! This week we have learned about understanding God's will and purpose and how our lack of faith can lead us to miss miracle opportunities.

We can also hinder ourselves from the miraculous grace of God when we work against Him! Sometimes we ask for a miracle from our Father, but we are not working with Him in the important processes He has for us. Think about it: we may want to lose weight but aren't wanting to adjust our eating habits. Or we want to make good grades, but we aren't wanting to study! Often times we want God to deliver us from our consequences, but we are living in a way that is preventing Him from doing just that! You can pray and ask Holy Spirit – "God, are you needing me to step up and do my part?" When we engage with God and live in alignment with Him, we open ourselves up to see His miracles more clearly!

Miracle Grace is released when we partner with God and with others!

"The Lord Yahweh is one, and he is the one who apportions to believers different varieties of ministries. The same God distributes different kinds of miracles that accomplish different results through each believer's gift and ministry as he energizes and activates them. Each believer is given continuous revelation by the Holy Spirit to benefit not just himself but all." 1 Corinthians 12:5-7 (TPT)

When you are baptized in Holy Spirit, you have miracles working through you! God wants to work miracles through you, but also FOR YOU through others. He wants us to depend on one another and lean into each other. Our pride and independent spirit can keep us from receiving a miracle. When you are in close relationship with God and with others, you will open your heart to miraculous grace!
