#### Overview

Hearings God’s voice is so important! Knowing that God is alive and speaking to us today is so encouraging, empowering, and transformational! God wants to talk to each of us, but first we have to learn how to recognize his voice. Like any relationship, communication with God is two way street – there is talking and listening! In other words, God doesn’t just hear our prayers, he responds! It means so much to know that God’s heart is to respond to his children. He wants to talk to us and have a relationship with us. He wants to share specific, intimate, and detailed things with us! He always responds with wisdom, understanding, and guidance so that we can fully live the life he created us for!

On this episode Pastors Jimmy and Kim talk through how they learned to hear the true voice of God! From learning to recognize his voice, to good practices that have become a part of their everyday life - you will be encouraged to listen for God’s voice daily! This episode is full of wisdom, encouraging tips, and stories from Pastors Jimmy and Kim. You will love it!
