Overview

Most of us are familiar with the idea that prayer is an important practice in the life of a Christian. While this is readily affirmed by scripture, pastors, and even media – what we don't always talk about is the purpose of prayer, the power of prayer, or what to do when prayer seems difficult or unproductive. On this episode Pastors Jimmy and Kim talk about new revelations they've had about prayer and share encouragement about how understanding the “Courts of Heaven” can bring real breakthrough. By digging into what the Bible says about the Courts of Heaven, Jimmy and Kim give a clear and practical description of how we can step into the throne room and go before Father God in Prayer. This episode is not only encouraging, but you will feel empowered and energized to go before your Father in a whole new way!
