

Recognize Industry Leadership: Submit Your 2025 NMMA Hall of Fame Nomination by June 6

4/25/2025 12:00:00 AM | *General NMMA News*

There's still time to recognize the leaders who have shaped—and continue to guide—the recreational boating industry. The **2025 NMMA Hall of Fame Award**, the Association's most prestigious honor, celebrates individuals whose vision, dedication, and lasting contributions have made a profound impact on marine manufacturing and the broader boating community.

In an evolving industry, strong leadership is essential. Honoring those who have set the standard helps preserve their legacy and inspires the next generation of innovators and advocates.

The award will be presented during the **IBEX Industry Breakfast** in **Tampa, Florida**, offering a moment to reflect on the achievements that drive the industry forward.

Nomination deadline: June 6, 2025
