Wilmington Island, GEORGIA – Nautical Boat Club proudly announces the grand opening of Nautical Boat Club – Wilmington Island, the company’s 28th national location and the second Boating Country Club® location in the Peach State.

“We’re thrilled to be launching Nautical Boat Club in Wilmington Island,” attests Tom Gardiner, Nautical Boat Club Owner since 2012. “Georgians love our Lanier Islands location, so we’re excited to extend the opportunity to experience Boat Life – the ultimate in boating ease, service, luxury, and fun – to Southeastern Georgia!”

Founded more than 25 years ago, Nautical Boat Club is a pioneer in the boat-club business. America’s first and favorite Boating Country Club® provides a premium boating experience and a superior alternative to renting, leasing, or buying a boat. Nautical Boat Club membership offers unlimited access to a diverse fleet of top-notch boats, limitless use of a full stock of complimentary water toys, and white-glove concierge-style service, always delivered with care. Monthly dues cover all expenses except for gas – including insurance, maintenance, and slip fees.

Nautical Boat Club’s 28th franchise – co-owned by first-time franchisee Shayne Mooney and company veteran Jon Dukes – is based at Sun Life Wilmington Island Marina, formerly Hogan’s Marina, located along Turner Creek with easy access to the Intracoastal Waterway, Tybee Island, and Daufuskie Island. This charming coastal paradise, nestled just about ten miles outside of Savannah, offers hidden treasures, local delights, and unforgettable adventure.

“Wilmington Island is the perfect place to revel in the beauty and enchantment of coastal Georgia,” Mooney confirms. “Boating is a way of life there, with its lush marshlands, winding waterways, barrier islands, and views of the Atlantic. It’s an ideal destination for waterborne activities – whether you’re cruising, fishing, or enjoying watersports, every excursion is unique.”

Nautical Boat Club membership provides not only unlimited boating with guaranteed reservations and the best availability in the industry, but also unrestricted guest privileges, full membership benefits at all Nautical Boat Club locations nationwide, and a lifetime supply of cherished memories with family and friends.

“Summer is coming up quick,” concludes Dukes. “Now is the time to join Nautical Boat Club - Wilmington Island, so you can keep cool during our steamy summer months. We invite all Georgia boating enthusiasts to give us a call and come for a tour today – it’s Boat Life time; the water awaits!”
