Revolution Marine Group (RMG), a dynamic yacht consultancy and brokerage, is redefining luxury yachting by seamlessly blending deep technical expertise with comprehensive client services. This distinctive approach—backed by a multidisciplinary team and exclusive partnerships with pioneering manufacturers—positions RMG as a leader in representing and managing the industry's most innovative high-performance, sustainable, and luxurious vessels.

With offices in Fort Lauderdale, Florida, and Vienna, Austria, RMG supports a growing international clientele. Its exclusive representation portfolio includes Oceanwalker Yachts, featuring the groundbreaking S60 Revolution edition solar power catamaran; the Heritage line of power catamarans by the esteemed Canados shipyard; and the cutting-edge CL Yachts brand (Europe/Turkey).

The RMG Difference

At the heart of RMG's model is its team of embedded experts—including build specialists, energy systems authorities, master captains, and luxury designers—who provide clients with unparalleled support at every stage of yacht ownership. This fully integrated expertise covers:

- New Build Management: Precision oversight from concept and design to delivery, ensuring uncompromising quality.
- Brokerage & Sales: Expert guidance on acquiring or selling premium yachts, backed by market insights and negotiation expertise.

- Technical Consultation & Support: In-depth knowledge to optimize performance, reliability, and long-term value.
- Design Consultation: Visionary solutions for both interior and exterior customization to reflect individual style and enhance functionality.
- Charter & Investment Advisory: Strategic insights to maximize ownership benefits and revenue potential.

"Revolution Marine Group was founded to offer a fundamentally different experience—one where deep technical knowledge and operational excellence are at the core of every client interaction," said **Ed Sacks, CEO**. *"We guide owners through the complexities of today's advanced yachts, ensuring they benefit from cutting-edge innovation, superior performance, and sustainability. Our exclusive partnerships give clients access to the most exceptional vessels on the market."*

Exclusive Portfolio: Defining the Future of Yachting

Oceanwalker Yachts: RMG's engineering and build guidance was integral to the creation of the S60 Revolution edition solar power catamaran, ensuring it meets the highest standards for seamless operation, superior comfort, and long-term reliability. With multiple hulls already secured, deliveries begin in April 2025.

Heritage Power Catamarans by Canados: RMG is introducing the Heritage line from the iconic Canados shipyard, starting with the Heritage 36'. Blending racing DNA with remarkable efficiency, the first delivery is projected for May 2025.

CL Yachts: As the exclusive dealer in Europe and Turkey, RMG offers the acclaimed A and B series from CL Yachts—renowned for their innovative engineering, striking design, and exceptional craftsmanship.

Proven Leadership: Vision Meets Execution

RMG is led by CEO Ed Sacks, a seasoned industry veteran recognized for his strategic business acumen and lifelong passion for yachting. His leadership is complemented by a powerhouse team of industry experts, combining technical precision with operational excellence:

Sergey Kurylev (Managing Director, European Operations): Leads the Vienna office, bringing extensive maritime business expertise, including vital experience with market-leading sustainable yacht builders.

Darren Henn (Sales Director): Directs sales initiatives with extensive technical expertise, drawing on his background as a seasoned captain and recognized authority in the catamaran genre, with a strong history of overseeing new build management for premier yacht brands.

Global Presence: Fort Lauderdale & Vienna Offices

RMG operates from two strategically located offices to provide seamless support for its international clientele. Its Fort Lauderdale headquarters, situated at The Quay (1535 SE 17th St, Suite B101A) in the "Yachting Capital of the World," serves as a full-service hub.

Co-led by Sales Director Darren Henn and Director of Operations Chelsea Carter, the office manages new yacht sales, representing Oceanwalker Yachts and Canados Heritage, while facilitating other builds. Additionally, the Fort Lauderdale office handles yacht brokerage, yacht management, investment and charter consultation, as well as technical and warranty support. This central location ensures direct connectivity with clients, shipyards, and major industry events worldwide, delivering a smooth, integrated, and highly personalized experience.

RMG's European operations are based in Vienna, Austria, and are led by Managing Director Sergey Kurylev. The Vienna office serves as a central point of contact for clients across Europe and Turkey, offering direct access to shipyards, partners, and key markets in the region.
