

Press Release

Nominations for the 2025 ICOMIA Marinas Group Golden Cleat Marina Awards

Recognising Lifetime Dedication and Outstanding Individuals.

24 June 2025. Nominations are now open for the **2025 ICOMIA Marinas Group Golden Cleat Marina Awards**.

The awards recognise dedication to the industry and aim to honour outstanding individuals who have demonstrated a true commitment to the global marina industry.

There are two categories of award:

- **Lifetime Dedication** - showing exceptional leadership, advocacy and dedication to the overall betterment of the world's marina industry.

- **Sustainability & Innovation** - demonstrating leading edge mindset and commitment to sustainability, innovation and the environment.

The award ceremony will be held at the World Marinas Conference in Venice, Italy on 15-17 October 2025 and we ask that all nominees be able to attend and/or are already booked to attend this conference. You can find out more about it and how to register [here](#).

Nominations are welcomed from all members, not just those in the ICOMIA Marinas Group, and you can nominate one person for either one or both awards. Alternatively you can nominate two people, one for each award, making sure to include your second nomination in the section at the bottom of the form.

The closing date for applications is 31 July 2025 which allows time for the selection panel, made up of marina industry peers to shortlist and then select a winner for each category.

This year we are accepting nominations online and you can click [here](#) to complete the online nomination form. Alternatively please contact louise@icomia.com if you would like to nominate via email instead.

To find out more about the ICOMIA World Marinas Conference and to register for the event visit <https://www.worldmarinasconference.com/>.

About ICOMIA

About the International Council of Marine Industry Associations (ICOMIA).

ICOMIA brings together a wide range of national marine industry associations into one global organisation and represents them at an international level, presenting a strong and united voice when dealing with issues challenging the industry. ICOMIA has been an active advocate for the international marine industry since 1966, working with authorities, regulatory bodies and related organisations to facilitate and encourage the growth of the worldwide recreational marine industry whilst keeping on top of policies and guidance to ensure the promotion, protection and growth of the industry. www.icomia.org.
