

HEATHER STOLL NAMED EXECUTIVE VICE PRESIDENT OF NAUTIQUE BOAT COMPANY

ORLANDO, FL (July 22, 2025) – Nautique is proud to announce Heather Stoll as the newly appointed Executive Vice President of Nautique Boat Company. With over nine years of dedicated service to the Nautique brand, Heather has held key leadership roles including Finance Manager, Director of Finance, and most recently, Vice President of Finance.

Heather's impact on Nautique goes beyond her professional accomplishments. A lifelong water skier, she grew up surrounded by the Nautique legacy. Her father's 1992 Ski Nautique now sits proudly on her dock next to her own 2021 Ski Nautique, symbolizing the generational bond she shares with the brand.

"I'm deeply honored by the opportunity to continue advancing my career at Nautique," said Nautique Executive Vice President, Heather Stoll. "Being part of a brand with such a strong legacy and passionate team is truly rewarding, and I look forward to contributing to our continued growth and long-term success."

As the Executive Vice President, Heather's new role will oversee the Finance, Safety, Human Resources, and Quality departments, continuing to shape Nautique's culture of innovation, performance, and integrity.

"Heather's well-deserved promotion is a reflection of her exceptional leadership, strategic insight, and unwavering commitment to excellence," said Nautique President, Greg Meloon. "Her deep understanding of Nautique's heritage and core values brings an authentic and powerful perspective to her role. I'm proud to have such a dedicated and capable leader on our team as we look to the future."

About Nautique Boat Company:

Nautique is celebrating its 100th anniversary of delivering excellence in the marine industry. A subsidiary of Correct Craft, Nautique has been on the waters of the world with a passion for innovation since 1925. Delivering the very best waterski, wakeboard and wakesurf boats on the market, Nautique continues to drive progression with their award-winning technology and dedication to building the highest-quality boats imaginable. New technology, performance innovations and attention to detail are the cornerstones of what makes the Nautique brand the industry leader. Through the Nautique Cares initiative, employees and athletes dedicate themselves to not only making a difference on the water, but to extend their support to people in need around the world. The world's best ski boat, world's best wake boat, and a company that cares. To learn more visit [Nautique.com](https://www.nautique.com)
