

Sealegs Appoints Inside Passage Yacht Sales as Exclusive Dealer for Washington State and Alaska

Anacortes, WA – August 14th 2025 – Sealegs US Corporation is pleased to announce the appointment of **Inside Passage Yacht Sales (IPYS)** as the exclusive dealer and service agent for Sealegs amphibious marine craft in **Washington State and Alaska**.

The strategic partnership signals an exciting new chapter for Sealegs in the Pacific Northwest, a region already home to a growing base of Sealegs owners and an abundance of waterfront properties. Known for its world-leading amphibious technology, Sealegs craft can drive from land to water at the touch of a button, with retractable wheels that deploy or stow in seconds - removing the need for docks, ramps, or trailers and offering unmatched convenience for waterfront homeowners and adventure seekers alike.

“Brian Krantz and his team at Inside Passage Yacht Sales were the perfect partners for Sealegs,” said **Greg Ewen**, President of Sealegs US Corporation. “With their location in Anacortes, their outstanding reputation in the Pacific Northwest, and the San Juan Islands right on their doorstep, IPYS is perfectly positioned to represent and grow the Sealegs brand in the region.”

Dave Larsen, CEO of Sealegs International Ltd, added, “We are thrilled to be partnering with Brian and his crew. I had the pleasure of meeting the team during the Seattle Boat Show, and it was immediately clear that their level of professionalism and deep industry experience made them the logical partner for us.”

Founded in 2010, Inside Passage Yacht Sales has become a trusted name in marine sales across the Pacific Northwest. **Brian Krantz**, the company’s founder, brings more than three decades of experience in the marine industry, beginning with a lifelong passion for boating, kayaking, and guiding. A **Certified Professional Yacht Broker (CPYB)** and former **USCG licensed Captain**, Brian has served on the **Board of Directors for the Northwest Yacht Brokers Association (NYBA)** and **The Anacortes Marine Trades (AMT)**.

“I’ve been boating since I was a young boy and have built my life and business around a passion for the water,” said Krantz. “We are incredibly proud to represent Sealegs in Washington State and Alaska. Their amphibious technology is world-leading, and we look forward to delivering this innovation to our customers across the region.”

This partnership reflects Sealegs’ commitment to expanding its dealer network with trusted, experienced professionals who understand the unique needs of their local boating communities.

ABOUT SEALEGS

Founded in Auckland, New Zealand, in 2004, Sealegs Boats is the global leader in amphibious marine craft, delivering patented technology that allows boats to seamlessly transition from land to water at the push of a button. With more than 1,850 + craft in service across over 55 countries, Sealegs’ innovative designs are used for recreation, tourism, rescue, and commercial operations, offering up to four times the usage of conventional boats by removing the need for trailers, boat ramps, and tidal waits. The company’s commitment to engineering excellence, global manufacturing, and customer service continues to redefine convenience, safety, and freedom on the water. Learn more at www.sealegs.com.
