

Targa Boats Appoints Freedom Marine as Exclusive Dealer for Canada

VANCOUVER, BC, Aug 26, 2025 – Freedom Marine International Yacht Sales, Canada’s leading yacht brokerage in new and used boat sales, adds Targa Boats to their extensive range of high-performance, luxury vessels. This new partnership introduces the renowned Finnish-built boats—known for their seaworthiness, durability, and rugged elegance—to the dynamic waters of Canada.

Targa 32 - the undisputed 4 x 4 of the sea

Built in Finland in the coastal towns of Malax and Nykarleby in Western Finland, Targa Boats are celebrated for their timeless craftsmanship, robust offshore capability, and renowned pilothouse design. Often called “the 4x4 of the sea,” these vessels are a favourite among seasoned boaters, law enforcement, and commercial operators across Northern Europe—and now, the Canadian coast.

“We’re incredibly proud to represent Targa as the newly appointed dealership for the Canada,” says Denis, Vice President of Freedom Marine International Yacht Sales. “The build quality, usability, and long-range cruising capability of Targa boats truly set them apart. The passion and

loyalty of Targa owners is remarkable, and we look forward to many adventures ahead with this iconic brand and its dedicated community.”

Targa 27.2 Tarfish, designed for recreational fishing and day trips

With award-winning models ranging from 25ft to 46ft, the brand offers unmatched versatility for coastal cruising, customisation, long-distance adventure, and all-weather reliability. Freedom Marine is excited to offer the Targa lineup of capable vessels to local boaters.

“We have been exploring opportunities in the Canadian market for quite some time, and with Freedom Marine we have finally found the right partner,” says Robert Carpelan, CEO of Targa. “Their strong presence and deep knowledge of the Canadian boating community make them an ideal match for Targa. We believe Canada, with its passion for nature and adventure, is a perfect home for our boats, and we are genuinely excited to begin this long-term journey together.”

Passionate boaters can now explore available Targa models on Freedom Marine’s website or get in touch with the Freedom Marine team for more information. The dealership’s highly experienced team is ready to guide new and returning customers through the distinct Targa ownership experience.
