Seattle Boat Company Begins Lake Tapps Marina Rebuild

Temporary services in place while construction transforms the marina for the 2026 boating season.

Lake Tapps, WA – September 17, 2025

Seattle Boat Company has officially begun the long-anticipated rebuild of its Lake Tapps Marina, a full renovation project designed to bring modernized facilities and improved customer amenities to the popular Lake Tapps boating hub. While construction is underway, Seattle Boat is continuing to serve customers through temporary operations and complimentary valet service to its Kent facility.

The Lake Tapps Marina rebuild marks a major investment in the boating community, with upgrades that will enhance both customer experience and long-term capacity. Planned improvements include a showroom, expanded service and storage capacity, a membership-only Boat Club to bring boating access to more Lake Tapps residents, and the beloved Big Swell Proshop. A limited number of SkyLaunch spots will also be available, along with a fuel dock operating for approved users. Details of the project, along with photos and progress updates, are available at go.seattleboat.com/laketappsrebuild.

During construction, Seattle Boat Company is keeping customer service at the forefront by offering free valet transport for boat servicing to its Kent location and ensuring the same familiar Lake Tapps team remains available by phone, text, and email.

“We know how important Lake Tapps is to our boating families, and this rebuild represents our commitment to making it even better,” said Jeff Bohling, Co-President of Seattle Boat Company. “In the meantime, our customers can continue to expect the same level of care and support from our team throughout construction.”

About Seattle Boat Company

Seattle Boat Company is a family-owned and locally operated business that has been part of the Pacific Northwest boating community since 1984. With multiple marina locations in Seattle and Bellevue, plus sister dealerships in Lake Chelan and Idaho, we serve families across the region with boat sales, service, storage, fuel docks, wet and dry marina slips, a boat club, watersports gear and pro shops, and on-water dining. Our dedicated team takes pride in helping families and friends create fun and memorable experiences on the water, with a focus on service, community, and accessibility.
