Intrepid Powerboats Welcomes Wally Castro Marine as Newest Dealer for Puerto Rico and the Caribbean

Largo, FL – September 24, 2025 – Intrepid Powerboats proudly announces the addition of Wally Castro Marine as its newest authorized dealer, representing Intrepid across Puerto Rico and the Caribbean.

This partnership marks a major step in Intrepid's growth strategy and its commitment to delivering the highest-quality boating experiences worldwide. Known for exceptional customer service and a loyal community of satisfied owners, Wally Castro Marine shares Intrepid's dedication to excellence on and off the water.

At the heart of Intrepid's mission is a simple promise: to produce boats of the highest quality through superior engineering, continuous innovation, and advanced manufacturing. These three pillars ensure optimized reliability and durability, giving owners a more trouble-free experience on the water.

"Wally Castro Marine's team have built an incredible reputation in the boating community with a loyal base of happy customers," said Dave O'Connell, Senior Vice President of Sales at Intrepid Powerboats. "Their world-class service and commitment to creating exceptional customer experiences align perfectly with Intrepid's values and mission. Wally is an industry leader, and we are excited to have him join the Intrepid family to represent us in Puerto Rico and the Caribbean."

"We are very excited to add Intrepid to our family of brands. The brand's reputation aligns with our company's values. It is a premium outboard category that serves the most demanding of our customers. The innovation potential toward large boats and the strong management team in place brings us confidence and value for a long-term partnership."

The addition of Wally Castro Marine strengthens Intrepid's presence in one of the world's most vibrant boating regions and supports the company's continued focus on innovation and quality.

"We are thrilled to welcome Wally Castro Marine to the Intrepid network," said Terry McNew, President of Intrepid Powerboats. "Wally shares our vision for delivering the highest-quality boats and ensuring every customer enjoys a seamless ownership experience. His leadership and passion for boating mirror our own values, making this partnership an exciting step forward."
