## **Intrepid Powerboats Expands Dealer Network with MarineMax Locations Across Florida and New York**

LARGO, FL (November 25, 2025) – Intrepid Powerboats is pleased to announce the expansion of its dealer network in partnership with MarineMax, adding multiple new locations across Florida and New York to better serve customers seeking Intrepid’s industry-leading engineering and innovation.

Through this expansion, Intrepid models will now be available at MarineMax locations in Ocean Reef, Naples, Fort Myers, St. Petersburg, Palm Beach, Dania Beach, and Huntington, New York. The addition of these key markets enhances the brand’s presence across both Florida and the Northeast, providing more customers with convenient access to Intrepid’s full lineup of center consoles and cabin cruisers.

These additions bring Intrepid’s lineup to more coastlines and more communities than ever before, supporting an elevated ownership experience rooted in the brand’s mission to build the highest-quality boats through superior product engineering, continuous innovation, and advanced manufacturing.

“These new locations allow us to meet boaters where they are and deliver an even higher level of convenience and support,” said Terry McNew, President of Intrepid Powerboats. “MarineMax shares our vision for exceptional customer experiences, and together we’re making it easier than ever for customers to explore what makes Intrepid truly different.”

The expanded network reinforces Intrepid's commitment to superior product engineering, continuous innovation, and advanced manufacturing, ensuring an elevated ownership experience for every customer.

Intrepid's full lineup will be available at MarineMax locations across Florida and New York, providing expanded access to the brand's industry-leading design and craftsmanship. More information can be found at [IntrepidPowerboats.com](https://www.IntrepidPowerboats.com).
