

De Antonio Yachts becomes a Platinum Partner at Dealer Week in Tampa and showcases its D32 during the event

Tampa, FL — [December 2nd, 2025] — De Antonio Yachts announces its participation as a Platinum Partner in the upcoming Dealer Week, the main annual event organized by the Marine Retailers Association of the Americas (MRAA). Dealer Week is a strategic meeting point for dealers, manufacturers, and professionals in the U.S. boating industry, combining specialized training, educational sessions, networking opportunities, and a unique platform to strengthen the industry and foster new business opportunities. Within this framework, De Antonio Yachts reaffirms its commitment to the American market and its growth strategy in the country. As part of its participation, the brand will present its D32, known for its intelligent design, versatility, and the brand's signature hidden outboard engine configuration—a distinctive hallmark of De Antonio Yachts.

"Being a Platinum Partner is a statement of our commitment to the American boating industry and our vision to grow in the United States," says Stan Chmielewski, co-founder and co-CEO of De Antonio Yachts. "We are convinced of the potential of this market and the importance of actively collaborating with and supporting industry professionals."

The D32 at Dealer Week

The D32 has been selected for its balance of contemporary design, functionality, and efficient navigation. Its optimized layout, spacious deck, and minimalist aesthetic make it an ideal model for the U.S. audience seeking a modern, practical boat with the distinctive De Antonio Yachts identity.

The D32 is the perfect model for enjoying great days at sea, thanks to its ample deck space, equipment, and a fully featured interior for those seeking comfort paired with top performance.

Beyond Dealer Week: a solid strategy in the United States

Participation in Dealer Week is part of a broader U.S. growth strategy. De Antonio Yachts currently has an expanding dealer network in several key regions of the country, strengthening its local presence and increasing its service and customer support capabilities. At the same time, the company continues to seek new strategic partners who share its vision, innovative approach, and high standards of excellence.

This operational and commercial growth is supported by a reinforced corporate structure and a continuous focus on innovation, enabling the brand to maintain its position as a benchmark in avant-garde design in the international market.

About De Antonio Yachts

De Antonio Yachts (DE ANTONIO YACHTS), headquartered in Barcelona, is an internationally recognized shipyard known for its innovative approach to boat design. Since its founding, the brand has revolutionized the boating industry by combining contemporary aesthetics, hydrodynamic efficiency, and functionality. Its models—ranging from the compact D23 to the flagship D60—stand out for their intelligent layout, optimized use of space, and agile, safe navigation. One of its most distinctive innovations is the integration of hidden outboard engines, enhancing both aesthetics and onboard safety. With a strong international presence and a growing dealer network, De Antonio Yachts has received awards such as the 2019 European Powerboat of the Year at Boot Düsseldorf and, this year, the Yacht World Trophy for Best Innovation Design in Cannes. The brand continues to champion technical excellence and cutting-edge design to deliver premium boating experiences tailored to modern lifestyles and the needs of the most demanding boaters.
