Customers can now enjoy MasterCraft towboats with certified sales, service, and on-water demos in the Caribbean's premier boating destination

VONORE, Tenn. (Feb, 26) – MasterCraft Boat Company, a subsidiary of MasterCraft Boat Holdings, Inc (NASDAQ: MCFT) and world's the best-selling towboat brand, today announced a strategic partnership with Yellow Sun Marine, designating the store as an authorized MasterCraft dealership in Turks & Caicos. As part of this collaboration, Wake to Wake, Yellow Sun Marine's sister company, is transitioning its charter fleet exclusively to MasterCraft towboats, elevating the region's on-water experiences.

Yellow Sun Marine brings unmatched local expertise, having operated wakeboats in Turks & Caicos longer than any other operator. The dealership is also the only certified wakeboat repair shop in the region, ensuring customers receive MasterCraft's renowned service and support.

"We have been a MasterCraft dealer for two years, and the decision was easy," said Mr. Mark de Fraine, Owner. "MasterCraft welcomed us into their family from day one, and the support has been incredible. My first wakeboat was a 2008 MasterCraft X30, so this brand has always had a special place in my heart. Turks & Caicos has the best waters in the world – and the best waters deserve the best boats."

Through this partnership, customers can now access:

- MasterCraft boat sales
- On-water demos and events
- Full vessel management and captaining
- Certified repairs and servicing
- Storage and maintenance

Meanwhile, Wake to Wake's all-MasterCraft fleet offers exclusive charter experiences, allowing visitors to enjoy wakeboarding, wakesurfing, and scenic cruising across the islands' crystal-clear waters. The partnership ensures that both owners and charter guests experience MasterCraft's industry-leading performance and innovation in one of the world's most sought-after boating destinations.
