## Represent & Promote

The Nautical Association of Colombia is an association that aims to represent, promote and defend the interests of navigational and cultural interests, tourism, recreational and sports industry in Colombia.

ASONAUTICA was conceived in February 2015 with the support of a number of local and international institutions and currently has members from the private yachting industry.

## Enabling Growth & Competitiveness

The aim of the organisation is to enable growth and competitiveness in the Colombian marine industry; as well as to create and develop business opportunities and contribute to the strengthening of the nautical culture within the country,

boosting activities such as marinas, yacht clubs, marinas, shipyards, distributors and dealers of boats, nautical tourism service providers, watersports, sailors, among others.

## ASONAUTICA Executive Director Comments

Meylin Carballo Salgado, Executive Director of ASONAUTICA, commented:

“ASONAUTICA’s membership in ICOMIA marks an important milestone for Colombia’s nautical sector and opens new opportunities for international collaboration, knowledge exchange, and sustainable growth.”

“We are proud to join ICOMIA as part of our commitment to strengthening the Colombian nautical industry and increasing its visibility within the global marine community.”

“This membership represents a valuable step for Asonáutica in connecting our sector with international best practices, innovation, and strategic partnerships that can support the long-term development of the nautical industry in Colombia.”

ICOMIA would like to congratulate the organisation for all their hard work to date and we look forward to collaborating closely with the association in the future.
