

PRESS RELEASE

24 MARCH 2026 | FOR IMMEDIATE RELEASE

VETUS FRANCE WELCOME C2 MARINE AS 'VETUS CENTER'

Appointment forms part of strategic plan to boost visibility and customer connections across France

VETUS, a global leader in marine propulsion and onboard systems, is proud announce that C2 Marine has transitioned to a 'VETUS Center'.

Based in the South of France, C2 Marine opened a brand-new, cutting-edge 400m² mechanical facility in 2025 highlighting their continued growth and commitment to delivering top-tier service. C2 Marine is a longstanding partner of YANMAR Marine International for over 25 years and has worked with VETUS for over eight years. They will be supporting VETUS (part of the YANMAR Marine Recreational Business Unit) across the Pyrénées-Orientales, Aude and Haute-Garonne regions and will oversee all the sales outlets within these areas.

As a VETUS Center, C2 Marine is equipped to offer sales of engines and genuine spare parts, professional maintenance services and certified training, as well as expert technical advice.

Hugo Ferlay, director at VETUS France Sarl said: "C2 Marine have greatly impressed us via their work with YANMAR so we already highly regard their hard-working and professional team and have felt well supported and impressed with their facilities. Their ethos perfectly aligns with VETUS and we look forward to watching the relationship further develop".

Cédric Chorlay Director at C2 Marine said: "Becoming a VETUS Center in France ensures we can further enhance customer experience and cements our long-term commitment to supporting both VETUS and YANMAR. C2 Marine is now ideally positioned to support future growth, provide advanced training, and deliver exceptional customer service well into the next generation."

About VETUS – Creator of Boat Systems

Founded in 1964, VETUS sets the global standard in the design and manufacturing of complete onboard boat systems—including engines, bow thrusters and anchoring solutions—for recreational and small commercial vessels. VETUS prides itself on innovation and engineers the majority of its 4,000+ product lineup in-house. The company's commitment to quality, reliability, and delivering superior customer experience has earned the trust of boaters, yacht builders, and marine enthusiasts all over the world.

VETUS has its headquarters in the Netherlands, with representation in 17 other countries and an unparalleled worldwide distribution and service network.

PRESS RELEASE

CREATOR OF BOAT SYSTEMS
