

FOR IMMEDIATE RELEASE

Strong's Marine Expands Grady-White Territory, Enhancing Access for Long Island Boaters

Long Island, NY - April 16, 2026 - Strong's Marine, a family-owned and operated business with over 80 years of experience serving the boating community, is proud to announce an expansion of its authorized sales and service territory for Grady-White Boats, further strengthening its ability to serve boaters across Long Island and New York City.

Founded in 1945, Strong's Marine has built its reputation on generations of boating knowledge, hands-on service, and a long-standing commitment to customer satisfaction. Today, the Strong family continues to lead the company with a focus on delivering a seamless ownership experience across sales, service, and dockage.

Strong's Marine has expanded its Grady-White Boats presence from New York City and Nassau County into Suffolk County, now serving much of Long Island, including the North Fork and Shelter Island.

This strategic growth allows Strong's Marine to better support both new and existing Grady-White owners with convenient access to sales, service, and dockage solutions across its network of locations, all supported by [Strong's Total Care Commitment](#), ensuring a seamless ownership experience from purchase through long-term service and support.

"Grady-White is one of the most respected brands in boating, and we're proud to expand our relationship in a way that better serves our customers," said Ryan Strong. "This expansion allows us to bring more boaters into the Grady-White family while continuing to provide the hands-on service, local expertise, and long-term support Strong's Marine is known for."

"Strong's Marine has consistently demonstrated a commitment to customer satisfaction and a deep understanding of the boating lifestyle," said Todd Leggett, Grady-White Director of Sales and Customer Relations. "We are excited to further strengthen the Grady-White customer experience across Long Island and New York City with a partner who shares our values of quality, integrity, and customer care."

The expanded territory enables Strong's Marine to offer a full lineup of Grady-White models, from versatile center consoles to offshore fishing platforms, supported by factory-trained technicians, premium service capabilities, and seamless ownership experience.
