

## PRESTIGE NAMES MW MARINE AS EXCLUSIVE DEALER IN AUSTRALIA

**Reinforcing its presence on the Australian continent, PRESTIGE announces a new partnership ahead of the 2026 Sanctuary Cove International Boat Show.**

PRESTIGE announces the appointment of MW Marine as its exclusive dealer in Australia. This strategic evolution in the PRESTIGE dealer network in Australia reflects our enduring commitment to delivering a seamless, refined customer experience, and to ensuring that PRESTIGE owners, wherever they may cruise, savor the very best of service and savoir-faire.

Officially representing PRESTIGE at the upcoming Sanctuary Cove International Boat Show in May, MW Marine has been a successful Jeanneau dealer for over fifteen years, as well as the exclusive Australian distributor for Wellcraft and Four Winns. Founded in 2010 on the East Coast of Australia, MW Marine expanded its footprint in 2024, with a new Western Australia location, positioning itself to serve an ever-growing community of passionate cruising enthusiasts across the continent.

"Australia is one of the most vibrant luxury yacht markets in the Asia-Pacific region, and we have always been committed to offering its owners an exceptional experience that truly reflects the PRESTIGE *Art de Vivre*. MW Marine embodies the values we stand for," explains Tanguy Tertrais, PRESTIGE Asia-Pacific Sales Director, " ... a team whose passion for the sea, deep savoir-faire, and commitment to excellent infrastructure deliver the refined ownership experience that PRESTIGE clients deserve."

The appointment comes as PRESTIGE continues to build on the momentum of its highly acclaimed M-Line, a collection of multihull motor yachts, where the mastery of space and light creates true harmony on the water. The PRESTIGE M48 has already won over discerning Australian yacht owners. With the strategic evolution of the PRESTIGE dealer network in Australia, the brand strengthens its presence across the Asia-Pacific region, providing world-class sales and after-sales support and enabling owners to truly savor life at sea.

"We are incredibly proud to be appointed as the exclusive dealer for PRESTIGE in Australia," added Matthew Millington, Dealer Principal of MW Marine. "The partnership is a perfect fit for us. It allows us to bring a world-class luxury motor yacht to our growing client base, complementing our long-standing brands and ensuring Australian boaters have access to the very best in refined design and innovation."

The appointment of MW Marine marks a new chapter for PRESTIGE in Australia, one defined by an unwavering commitment to the region and to the shared belief that life at sea should always be savored to the fullest.

## PRESTIGE, SAVORING *ART DE VIVRE*

PRESTIGE creates exceptional yachts, designed as comfortable homes on the water, offering luxury without pretense and without excess, based on the mastery of space and light.

Through three model lines – the F-Line, the X-Line, and the M-Line – PRESTIGE offers clever, contemporary designs to meet global market demands. Each yacht realizes the promise of a dream, that of going to sea and always feeling at home.

With a clear vision and exceptional industrial savoir-faire, and with the passion that drives its design and development, PRESTIGE has experienced tremendous success for over 35 years. And with over 5,000 yachts cruising the waters around the world, PRESTIGE is a major player in the international motor yacht market.
