Forward-Looking Statements

This press release contains certain "forward-looking statements" with respect to a potential transaction and the anticipated timing, terms, and completion of any such transaction, and other matters. Statements in this press release that are not historical facts are "forward-looking statements" for the purpose of the safe harbor provided by Section 21E of the Securities Exchange Act of 1934, as amended, and Section 27A of the Securities Act of 1933, as amended, and involve a number of risks and uncertainties.

Forward-looking statements are based on current expectations and assumptions and are subject to a number of factors, many of which are beyond the Company's control, which could cause actual results and events to differ materially from those described in the forward-looking statements. These factors include, in addition to other matters described in this press release, the risks and uncertainties discussed more fully under the caption "Risk Factors" in the Company's Annual Report on Form 10-K for the year ended December 31, 2025, and in the Company's subsequent filings with the Securities and Exchange Commission. Readers of this press release are cautioned not to place undue reliance on these forward-looking statements, since there can be no assurance that these forward-looking statements will prove to be accurate. The Company disclaims any obligation or undertaking to update forward-looking statements to reflect circumstances or events that occur after the date the forward-looking statements are made, except as required by law.
