

SOUL CARE

Here is a discussion guide to use with your family/friends after listening to this week's message:

What was your big takeaway from the message?

(IDEA: You could have the most artistic member of your family draw a simple pic for each of the 5 reasons we have to praise God in our trials and post them on the fridge as you talk through your takeaways)

What are you planning to do as a result?

(EXAMPLE: Pray through 1 Peter 3.3-7 each morning this week)

How can we pray for you?
